

MAKE AN ETERNAL DIFFERENCE

A short-term mission is far more than a week of ministry in another country. As your team serves alongside local believers in Botswana, God will deepen their faith, expand their vision for the Great Commission, and **renew their passion for following Christ** while strengthening the lives of those they serve. Together, you will encourage one another and experience the joy of partnering in God's work across cultures.

When your team returns home, the mission continues. Their testimonies, renewed commitment, and growing love for Christ will encourage others, strengthen your church, and **accelerate discipleship throughout your congregation.**

Whether this is your church's first short-term mission or one of many, we would be honored to partner with you. Together we can strengthen local churches, proclaim the gospel, and make disciples who will continue making disciples for generations to come.

We invite you to prayerfully consider bringing a team to Botswana. **Contact us today** to begin planning a mission that will strengthen your church, encourage believers in Botswana, and **accelerate discipleship in both.**

OVERVIEW

One of the most effective ways to **accelerate discipleship in your church** is to place believers in a setting where they learn to depend more fully on the Father, follow the Lord Jesus Christ more closely, and walk daily in the power and guidance of the Holy Spirit. As your team serves alongside local believers in Botswana, God will deepen faith, strengthen obedience, and transform lives through His Word, prayer, worship, gospel ministry, and Christian fellowship.

We welcome **church teams of 10 or more participants** for carefully planned, Christ-centered mission experiences based in **Serowe, Botswana**. Together we will develop a ministry plan that matches your team's gifts, experience, and objectives while partnering with local churches to share the gospel, strengthen believers, and make disciples.

ministry investments

Your ministry investment equips local churches and supports the gospel ministry. Your team will help advance this ministry alongside believers in Botswana. Before your team arrives, we will identify and procure the resources needed for your selected outreach opportunities for effective ministry.

Ministry Resources: Your investment provides Bibles, discipleship and evangelism resources, children's ministry supplies, educational materials, outreach resources, and durable ministry equipment that benefits local churches for years to come.

Customized Ministry Plan: Before your team arrives, we will provide a selection of ministry opportunities with estimated resource needs. Your church may then identify the ministry activities that best fit your vision, schedule, and budget.

Multiply Your Impact: The recommended amount represents the minimum investment in ministry resources. Churches are encouraged to raise additional ministry funds to expand their outreach, strengthen local churches, and reach more people with the gospel.
